An Bord Pleanála Reference Number ABP-322038-25

In accordance with section 146B of the Planning and Development Act 2000, as amended, An Bord Pleanála has received a request to alter the terms of the previously approved development under ABP-306204-19.

The case reference for the alteration request is ABP-322038-25.

The request, submitted by Ecopower Developments Limited, relates to a proposed alteration to the terms of the Board's decision to grant approval for the above-mentioned development in County Tipperary (An Bord Pleanála application reference number ABP-306204-19 refers).

The proposed alteration to the approved development is to alter the route of a section of the underground grid cable in the vicinity of Newport, Co. Tipperary and to alter the cable crossing method at bridges along the Regional Road R503 between Newport and Anglesey Bridge.

The Board has decided, in accordance with section 146B(2)(a) of the Act, that the proposed development would constitute a material alteration to the terms of the development.

Under section 146B (8), submissions/observations in relation to the request may be made to An Bord Pleanála, during a period of 4 weeks relating to:

(i) Whether such an alteration would be likely to have significant effects on the environment.

(ii) Whether the Board should make the alteration, make an alteration to the terms of the development concerned being an alteration other than that to which the request relates, or refuse to make the alteration.

The Board shall have regard to any submissions/observations made on foot of this invitation. The information relating to the proposed alteration (including the details of the request) may be inspected free of charge or purchased on payment of a specified fee at the offices of Tipperary County Council and the offices of An Bord Pleanála during public opening hours for a period of 4 weeks commencing on the 16th May 2025.

Any submissions/observations in relation to the request to alter the terms of the development may be made to An Bord Pleanála, (the Board), 64 Marlborough Street, Dublin 1 or online at online.pleanala.ie/en-ie/sid/observation. Any submission must be accompanied by a fee of €50, except for certain prescribed bodies. There is no fee required to make a submission/observation by those parties/individuals who have already made a valid submission/observation to the Board in relation to the original application (reference number ABP-306204-19).

Submissions/observations must be received by the Board no later than 5.30 p.m. on the 12th June 2025. Such submissions/observations must include the following:

(i) the name of the person making the submission or observation, the name of the person acting on his or her behalf, if any, and the address to which any correspondence relating to the application should be sent,

(ii) the subject matter of the submission or observation, and

(iii) the reasons, considerations and arguments on which the submission or observation is based in full.

Any submissions or observations which do not comply with the above requirements cannot be considered by the Board.

Signed:
Phil Kenealy, Ecopower Developments Limited.

In Memoriam

Josephine Foran
THIRTY FOURTH ANNIVERSARY

In fond and loving memory of my dear mother, JOSEPHINE (nee Wall), "St. Benedict's", 11 Rossa Avenue, Bishopstown, Cork, who died on May 14th, 1991. On her soul Sweet Jesus have mercy. Masses offered.

Again the wondrous glory of the Summer
When God in love rebeautifies the Earth.
And you, who loved each lovely growing thing,
Have found a Summertime of greater worth.

My heart in memory calls to mind today
Dear happy hours of union here below,
And in the mystery of a Heavenly land
I wonder if these thoughts of mine you know.

Across the span of years in yearning hope
I reach in spirit and I clasp your hand,
And once again I hear you whisper low,
"Yes, child of mine, I know and understand".

Sadly missed by her loving son Joseph
