

An Bord Pleanála

Board Direction

Ref: PL21.239745

The submissions on this file and the Inspector's report were considered at a Board meeting held on 7th June 2012.

The Board decided to treat this case under section 139 of the Planning and Development Act, 2000. The Board also decided that the planning authority be directed to attach condition number 6.

REASONS AND CONSIDERATIONS

Having regard to the location of a section of the site within a Recorded Monument (SL011-008-Field System), and to the nature, scale and location of the proposed development, it is considered that condition number 6 is necessary to ensure that the proposed development will not detract from the archaeological heritage of the area, and the Board therefore decided that it should be attached.
