Hi Niall,

Apologies, I've just spotted that the Biodiversity Assessment (Appendix H) in the revised soft copy of the Route Options Assessment Report no longer has the Draft watermark.
Please submit a hard copy of the revised document to match the soft copy received.

Kind regards,
Muirín

Thanks for those Niall,

and for the revised titled Route Option Report.

Will you please send in a hard copy of that Compound Drawing as that no longer matches the hard copy received originally?
Please also confirm that I can remove the drawing received originally from the application documents?

Kind regards,
Muirín

Hi Muirín,

Hope all is well with you. Thanks for confirming the newspaper advert requirements for the CPO process.

I have attached the soft copy of the Compound Drawing with the revised titled. I have also provided an updated drawing register. I will forward the updated revised *"1700239-rep-001 Draft Route Option Report Royal Final"* separately through the Topsec file share system as it is too large to email. Thanks again Muirín.

Talk to you later,

Niall
