ABP-307081-20

At a meeting held on 16/09/2020, the Board considered the documents and submissions on file generally, and the report of the Inspector.

The Board decided that the proposed electrical plant and grid connection infrastructure associated with the provision of a Flexible Thermal Generation Facility and Battery Energy Storage System on lands within the existing Poolbeg Generating Station, Pigeon House Road, Dublin 4, as set out in the plans and particulars received by An Bord Pleanála on the 8th day of April 2020 and in the information submitted at the pre-application consultation meeting held on the 13th day of July 2020, does not fall within the scope of section 182A of the Planning and Development Act 2000, as amended, and that a planning application should be made in the first instance to Dublin City Council.
