New Road
Ennis
Co. Clare

Date: 11 May 2020

Re: 400kV Cross-Shannon Cable Project.
Between Moneypoint 400kV substation, Co. Clare and Kilpaddoge 220kV station, Co. Kerry.

A Chara,

Please be advised that An Bord Pleanála has decided (following the pre-application consultation process) that the proposed development falls within the scope of section 182A of the Planning and Development Act, 2000 as amended and would constitute strategic infrastructure. Any subsequent application for approval for the proposed development must therefore be made directly to An Bord Pleanála under section 182A(1) of the Act.

A copy of the documentation relating to the Board's pre-application file is enclosed for your information. This can be made available for public inspection at this stage and must be associated with any application file documentation when such an application is made.

The Board has directed the applicant to include a statement in any public notices that the application will be made available for public inspection at the offices of the local authority and on a stand alone website. The public will have the right to make submissions/observations on the application to An Bord Pleanála within the specified time limit in the public notices and the public should be alerted to this fact when inspecting the file.

Thank you for your co-operation in this matter.
Yours faithfully,

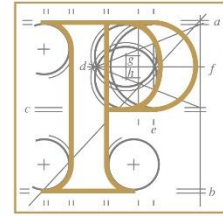

Rob Mac Giollarnáth
