PLANNING AND DEVELOPMENT ACTS 2000 TO 2011

Limerick County

Planning Register Reference Number: 12/1007

An Bord Pleanála Reference Number: PL 13.241753

APPEAL by Michael Clancy and others of Clanmoor, Newcastle, Castletroy, County Limerick against the decision made on the 21st day of February, 2013 by Limerick County Council to grant subject to conditions a permission to Larry and Rosemary Weeks care of John Lahiff Architects, Limetree, Ballykeeffe, Mungret, County Limerick in accordance with plans and particulars lodged with the said Council.

PROPOSED DEVELOPMENT: Permission to demolish existing dwelling house and construct a new two-storey dwellinghouse, shed, new entrance and boundary walls with associated site works at 'Thangi' Newcastle, Castletroy, County Limerick.

DECISION

GRANT permission for the above proposed development in accordance with the said plans and particulars based on the reasons and considerations under and subject to the conditions set out below.

MATTERS CONSIDERED

In making its decision, the Board had regard to those matters to which, by virtue of the Planning and Development Acts and Regulations made thereunder, it was required to have regard. Such matters included any submissions and observations received by it in accordance with statutory provisions.

REASONS AND CONSIDERATIONS

Having regard to the residential zoning of the site of the proposed development, the size of the site, the pattern of development in the area, the design and layout of the proposed development, it is considered that, subject to compliance with the conditions set out below, the proposed development would not seriously injure the amenities of the area or of property in the vicinity, would be acceptable in terms of traffic safety and would be in accordance with the proper planning and sustainable development of the area.

CONDITIONS

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particular

Reason: In the interest of clarity.

2. Details of the materials, colours and textures of all the external finishes to the proposed dwelling shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

Reason: In the interest of visual amenity.

3. The site shall be landscaped in accordance with a comprehensive scheme of landscaping, details of which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. This scheme shall include the following:

A plan to scale of not less than [1:500] showing –

- (i) Existing trees, hedgerows, shrubs specifying which are proposed for retention as features of the site landscaping
- (ii) The measures to be put in place for the protection of these landscape features during the construction period
- (iii) The species, variety, number, size and locations of all proposed trees and shrubs [which shall comprise predominantly native species such as mountain ash, birch, willow, sycamore, pine, oak, hawthorn, holly, hazel, beech or alder [which shall not include prunus species]

Reason: In order to screen the development and assimilate it into the surrounding landscape, in the interest of visual amenity.

4. All service cables associated with the proposed development (such as electrical, communal television, telephone and public lighting cables) shall be run underground within the site. In this regard, ducting shall be provided to facilitate the provision of broadband infrastructure within the proposed development.

Reason: In the interest of orderly development and the visual amenities of the area.

5. Water supply and drainage arrangements, including the disposal of surface water, shall comply with the requirements of the planning authority for such works and services.

Reason: In the interest of public health and to ensure a proper standard of development.

6. Prior to the commencement of the development the applicant shall submit for the written agreement of the planning authority, a fully comprehensive demolition and construction waste management plan in accordance with the Best Practice Guidelines on the preparation of Waste Management Plans for Construction and Demolition Projects published by the Department of the Environment Heritage and Local Government in July 2006. This shall include details of wastes to be generated during site clearance and construction phases and details of the methods and locations to be employed for the prevention, minimization, recovery and disposal of this material in accordance with the provision of the Waste Management Plan for the Region in which the site is situated.

Reason: In the interest of orderly development and sustainable waste management.

7. Prior to commencement of development, the applicant or other person with an interest in the land to which the application relates shall enter into an agreement in writing with the planning authority in relation to the provision of social and affordable housing in accordance with the requirements of section 96 of the Planning and Development Act 2000, as amended, unless an exemption certificate shall have been applied for and been granted under section 97 of the Act, as amended. Where such an agreement is not reached within eight weeks from the date of this order the matter in dispute (other than a matter to which section 97(7) applies) may be referred by the planning authority or any other prospective party to the agreement to the Board for determination.

Reason: To comply with the requirements of Part V of the Planning and Development Act 2000, as amended, and of the housing strategy in the development plan for the area.

8. The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to the commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the scheme at the time of payment. Details of the application of the terms of the scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to the Board to determine the proper application of the terms of the scheme.

Reason: It is a requirement of the Planning and Development Act 2000 that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.
