

What if An Bord Pleanála's office is closed on the last day allowed for making an appeal, observation or submission?

If the last date for us to receive an appeal, observation, submission or other item is on a weekend, public holiday or other day when our office is closed, we can receive your appeal, observation, submission or other item by 5.30pm on the next working day that our office is open.

On certain other days when our office is closed, we will issue a notification to the public. However, due to exceptional circumstances this might not always be possible. If you are unsure if our office will be open before you visit, please telephone 01 858 8100, LoCall 1850 275 175 or check our website before you travel.

Do not place your appeal in the letterbox of our office as it will be invalid.
