Oral Hearing Agenda

ABP 308052-20

Date	Tuesday 19 th January 2021
Start Time	10:00am
Location	Online

The purpose of the oral hearing is to provide an opportunity for all parties, who wish to do so, to make further submissions and to allow the inspector to seek clarification on any relevant issues arising and objections made. Parties will also have the opportunity to ask questions or seek clarification on submissions made at the hearing. There is no obligation on any party to make a submission to the oral hearing or to ask questions of the other parties.

All written submissions already received will be considered by the inspector and the Board. For this reason, submissions previously made in writing need not be reiterated at the oral hearing.

All parties are requested to be mindful of the nature of this application and to ensure that presentations or questions are relevant to the nature of this Compulsory Purchase Order. It is anticipated that addressing the issues relevant to the CPO is likely to take less than the 30 minutes allowable to the parties.

You are reminded that the Board has no role or jurisdiction in the determination, or the assessment of compensation and that any submission made to this hearing should bear this in mind as no discussion regarding compensation will be facilitated.

The Board may direct the payment of a contribution towards the costs to any person appearing at an oral hearing, which have been incurred by that person, as a consequence of appearing at the hearing. Any payment will be at the Board's discretion. Any application for costs should be made in writing to the Board within three weeks of the date of this hearing.
