Participants will also have the opportunity to ask questions or seek clarification on submissions made at the hearing.

The following should be noted:

All written submissions already received will be considered by the inspector and the Board. For this reason, submissions previously made in writing should not be reiterated at the oral hearing.

- The agenda and order of appearance for the oral hearing is set out below, along with a timetable. Participants should please note that this timetable is indicative only, and may vary during the course of the oral hearing. All Observers wishing to make a submission should if possible indicate before the hearing by email if they wish to make a submission and if they wish to call witnesses.

- The Board has appointed Mr. Paul Meredith Johnston, Adjunct Assistant Professor in Civil Structural & Environmental Engineering of Trinity College Dublin to assist the Inspector and provide specialist advice to the Board. Mr. Johnston will be putting questions to the applicant on water and geology related matters.
