Hi Diarmuid,

It was great to talk to you last week.

As noted on our call, the CRU has reviewed the Concept for Public Participation document developed by Eirgrid and does not have any further comments.

Please do not hesitate to contact me should you have any queries in relation to interconnection.

Best Regards,

Good Afternoon,

As you are aware the project known as the Celtic Interconnector (France-Ireland interconnection between La Martyre and Great Island or Knockraha) has been admitted to the PCI permit granting process. Eirgrid, the project promoter, has now under Article 9.3 of Regulation (EU) No 347/2013 submitted a concept for public participation to An Bord Pleanála (Competent Authority). The submitted concept is now attached.

In line with the procedures given in our PCI Manual of Permit Granting Process Procedures, you are invited to make submissions/observations to us (An Bord Pleanála PCI Unit) in relation to the attached Concept for Public Participation within 4 weeks i.e. to reach us no later than 25 July, 2019. Given the timelines involved we will not be in a position to give any extension of time for comment. Any submissions/observations should be sent directly to me by email.

Diarmuid Collins,  
PCI Unit.
