Subject: Greenlink Interconnector Project Concept for Public Participation

Good Afternoon,

As you are aware the project known as Greenlink Interconnector Limited has been admitted to the PCI permit granting process. Greenlink, the project promoter, has now under Article 9.3 of Regulation (EU) No 347/2013 submitted a concept for public participation to An Bord Pleanála (Competent Authority). The submitted concept is now attached.

In line with the procedures given in our PCI Manual of Permit Granting Process Procedures, you are invited to make submissions/observations to us (An Bord Pleanála PCI Unit) in relation to the attached Concept for Public Participation within 4 weeks i.e. to reach us no later than 7th November, 2019. Given the timelines involved we will not be in a position to give any extension of time for comment. Any submissions/observations can be sent directly to me by email.

Kind Regards,
