**Re: Amending Board Order
S146A of the Planning and Development Act, 2000, as amended**

Ref: PL19. 244624

The correspondence from Offaly County Council (received by ABP on May 3rd 2016) was considered at a Board meeting held on 19th May 2016.

The Board decided to exercise its powers under section 146A(1) of the Planning and Development Act 2000, as amended, to amend its Order of 1st February 2016 by the inclusion of a standard section 48 contribution condition.

The Board decided that a clerical error had occurred in relation to the 'bond' condition, in that a standard bond relating to completion of an urban development had been applied, whereas a bond relating to quarry restoration was what was intended by the board direction. The Board was satisfied that the amendment of the Board Order in this regard would not result in a material alteration of the terms of the development, the subject of the permission.

Having regard to the nature of the issue involved, the Board decided not to invite submissions in relation to the matter from any person who had made submissions or observations to the Board in relation to the permission/other matter.

Accordingly the Board hereby amends the above-mentioned decision by the by the replacement of Condition 10 with a standard bond condition relating to quarry restoration.
