## Board Direction

---

**Ref: PL16.245287**

The submissions on this file and the Inspector's report were considered at a Board meeting held on 24<sup>th</sup> November 2015.

The Board decided to defer consideration of this case and to issue a Section 132 notice to the applicant regarding the following:

The name of the Applicant on the application and appeal is given as “Devlin Construction Ltd.” It has come to the attention of the Board that the only company of that name listed in the Companies Registration Office is not registered at the address given in the planning application form and lists different directors to those given in the application form. The applicant is asked to clarify the name of the applicant, to submit confirmation of its right to lodge the application as well as a list of the company directors if the applicant is a limited company.

The Board notes that a company under the title of “Devlin Construction (Mayo) Ltd” is listed in the Companies Registration Office and the applicant is asked to clarify if this is the correct name of the applicant.
