

An Bord Pleanála

## Board Direction

---

**Ref: PL07.245518**

The submissions on this file and the Inspector's report were considered at a Board meeting held on 5<sup>th</sup> August 2016. The Inspector presented the case to the members of the Board, following which the Board reconvened to determine the case.

The Board decided to grant permission generally in accordance with the Inspector's recommendation.

This case was considered together with and decided at the same meeting as the adjoining proposal for a 220 kV substation to serve the proposed development, submitted to An Bord Pleanála under application reference number 07.VA0020.
