**Re: Amending Board Order  
S146A of the Planning and Development Act, 2000, as amended**

**Ref: PL06S. 245695**

The submissions on this file were considered at a Board meeting held on 21<sup>st</sup> April 2016.

The Board decided to exercise its powers under section 146A(1) of the Planning and Development Act 2000, as amended, to amend its Order of 1<sup>st</sup> February 2016 by the inclusion of a standard section 48 contribution condition.

The Board decided that a clerical error had occurred in omission of a financial contribution (as required by the operative Development Contributuioin Scheme) and that the amendment of the Board Order by the inclusion of such a condition would not result in a material alteration of the terms of the development, the subject of the permission.

Having regard to the nature of the issue involved, the Board decided not to invite submissions in relation to the matter from any person who had made submissions or observations to the Board in relation to the permission/other matter.

Accordingly the Board hereby amends the above-mentioned decision by the by the inclusion of a standard section 48 contribution condition.
