Board Direction

Ref: 16.245847

The submissions on this file and the Inspector's report were considered at a Board meeting held on 20th, January 2016.

The Board treated this case under section 48 of the Planning and Development Act, 2000, as amended. The Board also decided that the planning authority be directed, as follows:

Remove condition number 6 and Reason

REASONS AND CONSIDERATIONS

The proposed development is for continuance of use of an existing telecommunications mast and mobile phone infrastructure. In the absence of any specific provision in the Mayo County Council Development Contribution Scheme for the levying of financial contributions in respect of telecommunications masts and mobile phone infrastructure, it is considered that the terms of the Scheme have not been properly applied by the planning authority in this instance.
