

Board Direction

Ref: 29S.245976

The submissions on this file and the Inspector's report were considered at a Board meeting held on 18th, March 2016.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the reasons and considerations and subject to the conditions as set out below.

REASONS AND CONSIDERATIONS

Having regard to the zoning objectives for the area and pattern of development in area, it is considered that subject to compliance with the conditions set out below, the proposed development would not seriously injure the amenities of the area or property in the vicinity and would be acceptable in terms of traffic safety, public health and convenience. The proposed development would therefore be in accordance with the proper planning and sustainable development of the area.

CONDITIONS

- 1 The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

Reason: In the interest of clarity

2. The proposed ground floor terrace shall be omitted. Revised drawings providing for this omission shall be submitted to and agreed in writing with the Planning Authority prior to the commencement of development

Reason: In the interest of protecting the residential amenity of adjoining properties.

3. Site development and building works shall be carried out only between the hours of 08.00 to 19.00 Mondays to Fridays inclusive, between 08.00 to 14.00 hours on Saturdays and not at all on Sundays and public holidays. Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

Reason: In order to safeguard the residential amenities of property in the vicinity.

4. Water supply and drainage arrangements, including the disposal of surface water, shall comply with the requirements of the planning authority for such works and services.

Reason: In the interest of public health and to ensure a proper standard of development.

5. All necessary measures shall be taken by the contractor to prevent the spillage or deposit of clay rubble or other debris on adjoining roads during the course of the works.

Reason: In the interest of residential amenity
