---

**Ref: PL93.245986**

The submissions on this file and the Inspector's report were considered at a Board meeting held on 30<sup>th</sup> March 2016.

The Board decided to treat this case under section 139 of the Planning and Development Act, 2000. The Board also decided, based on the Reasons and Considerations set out below be directed, as follows:

Remove condition number 2

Amend condition number 4 as follows:

Deletion of the sentence "This will be subject of separate planning permission."

### REASONS AND CONSIDERATIONS

Having regard to the importance of the existing facility as a telecommunications hub, to the location of the facility, to the exempted development provisions of the Planning and development regulations, and to government policy on co-location the Board considered that condition 2 was not warranted. The Board further considered having regard to the determination made under Condition 2 that condition 4 should also be amended as shown.
