

## Board Direction

---

**Ref: PL27.246000**

The submissions on this file and the Inspector's report were considered at a Board meeting held on May 9<sup>th</sup>, 2016.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, subject to the amendments to the Inspector's draft reasons, considerations and conditions set out below.

### REASONS AND CONSIDERATIONS

Having regard to the location, nature, design and scale of the proposed development, it is considered that, subject to compliance with the conditions set out below, the proposed development would not materially or adversely affect the protected structure and would not seriously injure the amenities of the area or of property in the vicinity. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

### CONDITIONS

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, as amended by the further plans and particulars submitted on the 13<sup>th</sup> day of November 2015, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

**Reason:** In the interest of clarity.

2. Standard Protect Supervision Condition 1
3. The external finishes of the wall and roof and the design of the rooflights shall be in accordance with the details indicated on drawing number (00)002 and drawing number (00)004 submitted to the planning authority on the 13<sup>th</sup> day of November, 2015.

**Reason:** In the interest of visual amenity.

4. Water supply and drainage arrangements, including the disposal of surface water, shall be in accordance with the requirements of the planning authority for such works and services.

**Reason:** In the interest of public health and to ensure a proper standard of development.

5. The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.

**Reason:** It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission
