Board Direction

Ref: PL08.246309

The submissions on this file and the Inspector's report were considered at a Board meeting held on June 29th, 2016.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, subject to the amendments shown in manuscript on the attached copy of the Inspector's draft reasons, considerations and conditions.

Note: Having regard to the very minor nature of the application in which no new retail floor area is proposed and to the sentence in the planning authority report dated February 17th, 2016 which states 'no levies applicable' the Board decided not to accept the Inspector's recommendation to attach a S.48 development contribution condition.
