**Ref: 08.246492**

The submissions on this file and the Inspector's report were considered at a Board meeting held on 19<sup>th</sup>, July 2016.

The Board treated this case under section 48 of the Planning and Development Act, 2000, as amended. The Board also decided that the planning authority be directed, as follows:

Remove condition number 2 and Reason

### REASONS AND CONSIDERTIONS

Having regard to the fact that a S. 48 Development Contribution in the sum of €14,000 has been previously levied and paid under planning authority Reg. Ref. 10/677, in respect of the telecommunications infrastructure on this site, the Board considered that the levying of a further financial contribution under the terms of the Kerry County Council Development Contribution Scheme 2011 in respect of the same telecommunications infrastructure would amount to double charging and would be unwarranted.
