---

The documentation on file and the request for costs by the appellant were considered at a Board meeting held September 21<sup>st</sup> 2016.

The Board made a determination to not award costs.

#### **REASONS AND CONSIDERATIONS**

Having regard to the nature of the application and of the appeal, the submissions made on file, the request made for costs, the provisions of Section 145 of the Planning and Development Act, 2000, as amended, and to the discretion afforded to the Board in this matter, it is considered that no particular circumstances apply that would justify the award of costs against the planning authority in this instance.
