The submissions on this file and the Inspector's report were considered at a Board meeting held on October 4<sup>th</sup> 2016.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

### **Reasons and Considerations**

Having regard to the siting, design, form and limited scale of the proposed development and to the prevailing pattern of development on and in the vicinity of the site, it is considered that, subject to compliance with the conditions set out below, the proposed development would not seriously injure the residential or visual amenities of the area, would comply with the provisions for extensions to dwellings as set out in the current Wicklow-Rathnew Development Plan, and would otherwise be in accordance with the proper planning and sustainable development of the area.

## Conditions

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, as amended by the further plans and particulars submitted on the 26<sup>th</sup> day of May 2016 and clarified by the further plans and particulars received by An Bord Pleanála on the 5<sup>th</sup> day of August, 2016, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

**Reason:** In the interest of clarity.

2. Prior to the commencement of development, details of the external finishes of the proposed extension shall be agreed in writing with the planning authority.

**Reason:** In the interest of visual amenity.

3. The disposal of surface water shall comply with the requirements of the planning authority for such works and services.

**Reason:** In the interest of public health and to ensure a proper standard of development.
