The submissions on this file and the Inspector's report were considered at a Board meeting held on 7th December 2016.

Board Member: _____ Date: 7th December 2016
Michael Leahy

Note: The Board noted the wording of the application which referred, inter alia, to retention of septic tank, and considered that it did not have information on file to assess this matter. Given the substantive reason for refusal it did not proceed further with this matter.

Copy direction to accompany order.
