The submissions on this file and the Inspector's report were considered at a Board meeting held on November 24th 2016.

The Board decided to grant permission by a margin of 2:1 in accordance with the following reasons, considerations and conditions.

Reasons and Considerations

Having regard to the residential zoning provision of the Fingal County Development Plan, the pattern of development in the area, to the close proximity to mainline rail and bus connections, to the density, layout and design of the proposed development the Board considered that subject to compliance with the conditions set out below, the proposed development would not seriously injure the residential amenities of the area or of future residents and would represent a high quality residential environment generally in compliance with the objectives of DMURS. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

In deciding not to accept the Inspector's recommendation to refuse permission, the Board considered that the inspectors concern regarding childcare facilities are addressed by way of condition whereby the number of the residential units permitted has been reduced. Furthermore, the Board considered that the parking provision for the scheme as permitted subject to conditions would not be prejudicial to public safety by reason of traffic hazard and would be compliant with DMURS in terms of road widths and turning heads.

The form and amount of the security shall be as agreed between the planning authority and the developer or, in default of agreement, shall be determined by An Bord Pleanála.

Reason: To ensure the satisfactory completion of the development.

13. The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended.
