

## Board Direction

---

**Ref: PL06D.247164**

The submissions on this file and the Inspector's report were considered at a Board meeting held on 5<sup>th</sup> January 2017.

The Board decided by a margin of 2:1 to refuse permission generally in accordance with the following reasons and considerations.

### Reasons and Considerations

The proposal would involve a significant intervention to the interior of a protected structure. The board is not satisfied that this intervention is justified or warranted and considered that the proposal would adversely affect the character of a protected structure.

In deciding not to accept the Inspector's recommendation to grant permission, the Board considered that the intervention would adversely affect the character of the protected structure and that the intervention proposed was not justified.
