

Board Direction

Ref: 92.247169

The submissions on this file and the Inspector's report were considered at a Board meeting held on 29th, November 2016.

The Board treated this case under section 48 of the Planning and Development Act, 2000, as amended. The Board also decided that the planning authority be directed, as follows:

Amend condition number 4, as follows.

- (4) Std S. 48 specified in the sum of €2500.00

REASONS AND CONSIDERATIONS

Having regard to the provisions of the Tipperary Development Contribution Scheme 2015-2019 and that an additional radio link dish has been attached to the spectator stand since the previous grant of planning permission in respect of which a financial levy was imposed the Board considered that a levy under the terms of the Development Contribution Scheme in respect of the additional radio link dish would be warranted.
