

## Board Direction

---

**Ref: 28.247977**

The submissions on this file and the Inspector's report were considered at a Board meeting held on 3<sup>rd</sup>, May 2017.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the reasons and considerations and subject to the conditions as set out below.

### Reasons and Considerations

Having regard to the provisions of the Cork City Development Plan 2015-2021, and to the design and scale of the garden shed it is intended to retain, and to the pattern of development in the area, it is considered that subject to compliance with the following conditions, the proposed development would not seriously injure the amenities of the area or of property in the vicinity. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

### Conditions

1. The development shall be retained in accordance with the plans and particulars lodged with the application, except as may otherwise be required in order to comply with the following conditions.

**Reason:** In the interest of clarity.

2. Surface water drainage arrangements shall comply with the requirements of the planning authority for such works and services.

**Reason:** In the interest of public health.

3. The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid within a period of three months or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.

**Reason:** It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.
