Board Direction
PL09.248013

The submissions on this file and the Inspector's report were considered at a Board meeting held on 30th April 2018.

The Board treated this case under section 48 of the Planning and Development Act, 2000, as amended. The Board also decided that the planning authority be directed, as follows:

Attach condition 33

Reasons and Considerations

Having regard to the nature and scale of the proposed development, it is considered that the provisions of the Kildare County Council Development Contribution Scheme 2015 – 2022 have been properly applied.

In deciding not to accept the Inspector's recommendation to omit condition no. 33, the Board had regard to the nature and scale of the proposed development which involves the importation of significant quantities of waste, in contrast to the restoration works proposed and conditioned under the previous permission ABP Reg. Ref. PL09.226737 - P.A. Ref. 07/188.
