The submissions on this file and the Inspector's report were considered at a Board meeting held on June 26th 2017.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

Reasons and Considerations

Having regard to the site size and configuration and to the site layout, footprint, scale and height of the proposed dwelling it is considered that subject to compliance with the conditions set out hereunder, the proposed development would be satisfactorily integrated into the established pattern and character of development in the area, would not be seriously injurious to the residential amenities of adjoining and surrounding residential properties by reason of adverse visual impact, overdevelopment, overlooking and overshadowing, would provide for a satisfactory standard of residential development and amenity for the future occupants and would be acceptable in terms of pedestrian and traffic safety. The proposed development would therefore be in accordance with the proper planning and sustainable development of the area.

Conditions

1 The development shall be carried out and completed in accordance with the plans and particulars lodged with the application except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree

such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

Reason: In the interest of clarity

2. Details of the proposed boundary treatment including materials and finishes and for hard and soft landscaping within the perimeter of the site shall be submitted to and agreed in writing with the planning authority prior to the commencement of the development.

Reason: In the interest of the visual and residential amenities of the area.

3. Details of colours and textures of all the external finishes, inclusive of samples shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. The roof colour (including ridge tiles) shall be blue black or slate grey in colour only.

Reason: In the interest of the visual and residential amenities of the area.

4. Notwithstanding the exempted development provisions of the Planning and Development Regulations, 2001, and any statutory provision replacing or amending them, no development falling within Class 1 or Class 3 of Part 1 of Schedule 2 of those Regulations shall take place within the curtilage of the house or within the rear garden area without a prior grant of planning permission.

Reason: In the interest of the residential amenities of the area.

5. Water supply and drainage arrangements, including the [attenuation and] disposal of surface water, shall comply with the requirements of the planning authority for such works and services.

Reason: In the interest of public health.

6. Site development and building works shall be carried out between the hours of 08.00 and 19.00 Mondays to Fridays, inclusive, between 08.00 to 14.00 hours on Saturdays and not at all on Sundays or public holidays. Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

Reason: In the interest of the residential amenities of the area.

7. A drop kerb shall be provided along the entirety of the site frontage in accordance with the requirements of the planning authority at the applicant's own expense.

Reason: In the interest of public safety and amenity.

8. The developer shall pay to the planning authority a financial contribution of in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000. The contribution shall be in respect of the retail unit only and shall be paid prior to the commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. The application of any indexation required by this condition shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to the Board to determine.

Reason: It is a requirement of the Planning and Development Act 2000 that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.
