The submissions on this file and the Inspector's report were considered at a Board meeting held on 12th September 2017.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

Reasons and Considerations

Having regard to the zoning, nature and scale of the proposed development, and the existing pattern of development in the vicinity, it is considered that subject to compliance with the conditions below, the proposed development would not be out of character with existing development within the area, would be acceptable in terms of visual impact and traffic safety, and would not seriously injure the residential amenities of the area or of property in the vicinity. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

Conditions

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, as amended by further information received by the Planning Authority on 29th March 2017, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

Reason: In the interest of clarity.

2. Prior to commencement of development revised site layout drawings, which provide for the provision for soft-landscaping, incorporating sustainable urban drainage in the front garden area, shall be submitted to, and agreed in writing with, the Planning Authority. The proposed development shall be implemented in accordance with the agreed plans.

Reason: In the interest of visual amenity, environmental protection, public health and to ensure a proper standard of development.

3. The external finishes of the proposed extension, shall be the same as those of the existing dwelling in respect of colour and texture.

Reason: In the interest of visual amenity.

4. Water supply and drainage arrangements, including the disposal of surface water, shall comply with the requirements of the Planning Authority for such works and services.

Reason: In the interest of public health and to ensure a proper standard of development.

5. Site development and building works shall be carried out between the hours of 0700 to 1800 Mondays to Fridays inclusive, between 0800 to 1400 hours on

Saturdays and not at all on Sundays or public holidays. Deviation from these times shall only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

Reason: In order to safeguard the residential amenities of property in the vicinity.
