Pleanála

**Board Direction**

---

At a meeting held on the 26<sup>th</sup> March 2018, the board decided to grant permission for the proposed development generally in accordance with the Inspector's recommendation.

At the further meeting held on the 8<sup>th</sup> of June 2018, the Board considered a submission received by An Bord Pleanála on the 11<sup>th</sup> of April 2018 which was provided in accordance with section 131 of the Planning and Development Act 2000 (as amended). This submission had been received subsequent to the previous board meeting and the decision date.

As the meeting held on the 8<sup>th</sup> June 2018, the Board decided that all of the issues raised in the submission of the 11<sup>th</sup> of April 2018 had been covered in greater detail by the appellant in the previous submission received by the Board on 23<sup>rd</sup> June 2017 and had therefore been adequately considered by the Inspector and the Board in reaching its decision to grant permission for the proposed development on the 26<sup>th</sup> March 2018. The Board therefore confirmed its previous decision of the 26<sup>th</sup> of March 2018 to grant permission for the proposed development.
