The submissions on this file and the Inspector's report were considered at a Board meeting held on February 5<sup>th</sup> 2018.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

### **Reasons and Considerations**

Having regard to the Z2 zoning objective for the area, the policies and objectives of the Dublin City Council Development Plan 2016-2022, the pattern of development in the immediate vicinity it is considered that, subject to compliance with conditions below, the proposed development would not seriously injure the residential amenities of the area or of property in the vicinity have a negative impact on the character and setting of a protected structure or the conservation area, or endanger public safety by reason of traffic hazard. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area

## **Conditions**

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application and by the further plans and particulars received by An Bord Pleanála on the 24th of August 2017, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

**Reason:** In the interest of clarity

2. The existing pay and display space along Palmerstown Road which will be removed to accommodate the proposed entrance shall be provided for along Ormond Road. Prior to commencement of development, the applicant shall contact the area traffic engineer in Dublin City Council regarding alterations to the pay and display scheme/ line markings. All works shall be carried out at the developers own expense.

**Reason:** In the interest of traffic safety and proper planning and sustainable development.

3 Prior to commencement of development, the developer shall provide for the following:-

(a) The appointment of a conservation expert, who shall manage, monitor and implement works on the site and ensure adequate protection of the historic fabric during those works.

(b) The submission of details of all finishes and of all existing original features to be retained and reused where possible, including interior and exterior fittings/features, joinery, fenestration, plasterwork, features (cornices and ceiling mouldings), roofs, staircases including balusters, handrail and skirting boards.

All repair/restoration works shall be carried out in accordance with best conservation practice as detailed in the application and the “Architectural Heritage Protection Guidelines for Planning Authorities” (Department of Arts, Heritage and the Gaeltacht, 2011). The repair/restoration works shall retain the maximum amount possible of surviving historic fabric in-situ including structural elements, plasterwork and joinery and shall be designed to cause minimum interference to the building structure and/or fabric.

**Reason:** To ensure that the integrity of the historic structures is maintained and that the structures are protected from unnecessary damage or loss of fabric.

4 Water supply and drainage arrangements, including the attenuation and disposal of surface water, shall comply with the requirements of the planning authority for such works and services.

**Reason:** In the interest of public health.

5 Site development and building works shall be carried out only between the hours of 0800 to 1900 Mondays to Fridays inclusive, between 0800 to 1400 hours on Saturdays and not at all on Sundays and public holidays. Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

**Reason:** In order to safeguard the residential amenities of property in the vicinity.

6 The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.

**Reason:** It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.
