Re: Amending Board Order

Section 146A of the Planning and Development Act, 2000, as amended

The submissions on this file were considered at a Board meeting held on 23rd April, 2018.

The Board decided to exercise its powers under section 146A(1)(b) of the Planning and Development Act 2000, as amended, to amend its Order of the 15th day of February, 2018 by attaching a condition in respect of a bond for completion of the development.

- (1) The Board decided that a clerical error had occurred,
- (2) the amendment of the Board Order would not result in a material alteration of the terms of the development, the subject of the permission or decision.

It is considered that amendment of the Board Order would not result in a material alteration of the terms of the development, the subject of the permission or decision.

Having regard to the nature of the issue involved, the Board decided not to invite submissions in relation to the matter from any person who had made submissions or observations to the Board in relation to the permission/other matter.

Accordingly, the Board hereby amends the above-mentioned decision by the insertion of a new condition in accordance with the provisions of section 146A (1) of the Planning and Development Act, 2000, as amended, as follows:

Prior to commencement of development, the developer shall lodge with the planning authority a cash deposit, a bond of an insurance company, or other security to secure the provision and satisfactory completion of roads, footpaths, watermains, drains, open space and other services required in connection with the development, coupled with an agreement empowering the local authority to apply such security or part thereof to the satisfactory completion of any part of the development. The form and amount of the security shall be as agreed between the planning authority and the developer or, in default of agreement, shall be referred to An Bord Pleanála for determination.

Reason: To ensure the satisfactory completion of the development.
