The submissions on this file and the Inspector's report were considered at a Board meeting held on 17th October 2017.

The Board treated this case under section 48 of the Planning and Development Act, 2000, as amended. The Board also decided that the planning authority be directed, as follows:

Reasons and Considerations, as follows:

Having regard to the specific nature of the development and its confined purpose, to the terms of the Development Contribution Scheme and to the response of the planning authority, the Board was satisfied that the proposed development does come within the criteria for an exemption from a section 48 levy under the current Development Contribution Scheme for the area.
