The submissions on this file and the Inspector's report were considered at a Board meeting held on December 12th 2017.

The Board treated this case under section 48 of the Planning and Development Act, 2000, as amended. The Board also decided that the planning authority be directed, as follows:

Attach condition 5

Reasons and Considerations, as follows.

REASONS AND CONSIDERATIONS

The Board, in accordance with section 48 of the Planning and Development Act, 2000, (as amended) considered that the terms of the Mayo County Council Development Contribution Scheme for the area had been properly applied in respect of Condition 5 and directs the Council to Attach Condition 5

In deciding not to accept the inspector's recommendation to reduce the amount of the contribution to be payable the Board concurred with the planning authority's assessment and considered that here was no basis for a reduction in the overall contribution and considered the Development contribution scheme had been applied correctly.
