PL18.249198

The submissions on this file and the Inspector's report were considered at a Board meeting held on February 27th 2018.

The Board decided to refuse permission, generally in accordance with the Inspector's recommendation, for the following reasons and considerations.

Reasons and Considerations

It is considered that the proposed development would endanger public safety by reason of traffic hazard because of the additional traffic turning movements the development would generate on the R189 regional road at a point where an adequate stopping sight distance cannot be achieved in a south westerly direction as required by Section 15.23.4 of the Monaghan County Development Plan 2013-2019.
