The submissions on this file and the Inspector's report were considered at a Board meeting held on 03/01/2018.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

Reasons and Considerations

Having regard to the established pattern of vehicular entrances in the vicinity of the site, it is considered that, subject to compliance with the conditions set out below, the proposed development would not seriously injure the visual amenities of the area and would be acceptable in terms of traffic and pedestrian safety and convenience. The proposed development would be in accordance with the proper planning and sustainable development of the area.

Conditions

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

Reason: In the interest of clarity.

2. Water supply and drainage arrangements, including the attenuation and disposal of surface water, shall comply with the requirements of the planning authority for such works and services.

Reason: In the interest of public health.

3. The site and building works required to implement the development shall be carried out only between the hours of 0800 to 1800 Monday to Fridays, between 0800 to 1400 hours on Saturdays and not at all on Sundays and Public Holidays. Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

Reason: In order to safeguard the residential amenities of adjoining property in the vicinity.

4. The footpath in front of the proposed new vehicular entrance shall be dished at the road junction in accordance with the requirements of the planning authority and at the Applicant's own expense.

Reason: In the interest of pedestrian safety.

5. The proposed gates shall open inwards and not out over the public domain.

Reason: In the interest of pedestrian safety
