The submissions on this file and the Inspector's report were considered at a Board meeting held on 02/07/2018.

The Board treated this case under section 48 of the Planning and Development Act, 2000, as amended. The Board also decided that the planning authority be directed, as follows:

Remove condition 2

Reasons and Considerations

Having regard to:

- (a) the provisions of the Kilkenny County Development Contribution Scheme 2016-2017 and which includes an exemption for 'Masts and antennae and other apparatus for communication purposes that form part of the National Broadband Scheme or a subsequent endorsed initiative as defined by the Department of Communication, Energy and Natural Resources', and
- (b) the submission made in this appeal,

the Board considered based on the evidence submitted that the proposed development constitutes equipment for communications purposes that form part of the National Broadband Scheme or a subsequent endorsed initiative as defined by

the Department of Communication, Energy and Natural Resources, and that the terms of the Development Contribution Scheme have not been properly applied.
