 - (b) The proposed side window serving the en-suite at first floor level shall be in obscure glass.
 - (c) The proposed double rooflight incorporating the escape window at attic level shall be entirely in obscure glass.

Revised drawings showing compliance with these requirements shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

Reason: In the interests of protecting the residential amenities of neighbouring property.

3. The external finishes of the proposed extension shall be the same of those of the existing dwelling in respect of colours and textures.

Reason: In the interest of visual amenity.

4. Site development and building works shall be carried out only between the hours of 0800 and 1800 Mondays to Fridays inclusive and between 0800 and 1400 on Saturdays and not at all on Sundays or Public Holidays.

Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

Reason: To safeguard the residential amenities of property in the vicinity.

5. Water supply and drainage arrangements, including the disposal of surface water, shall comply with the requirements of the planning authority for such works and services.

Reason: In the interest of public health.

6. Development described in Classes 1 or 3 of Part 1 of Schedule 2 to the Planning and Development Regulations, 2001, or any statutory provision modifying or replacing them, shall not be carried out within the curtilage of the subject property.

Reason: In order to ensure that a reasonable amount of private open space is provided for the benefit of the occupants of the extended dwelling.
