The submissions on this file and the Inspector's report were considered at a Board meeting held on 30/07/2018.

The Board decided, by a majority of 2 to 1, to refuse permission for the following reasons and considerations.

Reasons and Considerations

Planning Authority's Schedule 1 R and C.

In deciding not to accept the Inspector's recommendation to grant permission, the Board did not consider that the applicants had provided adequate justification for a telecommunications installation of the type proposed nor had they shown that there was an absence of viable alternatives for telecommunications installations of a different kind.
