The submissions on this file and the Inspector's report were considered at a Board meeting held on 17/07/2018.

The Board treated this case under section 48 of the Planning and Development Act, 2000, as amended. The Board also decided that the planning authority be directed, as follows:

Attach condition number 9.

Reasons and Considerations

The Carlow County Council Development Contribution Scheme 2017-2021 adopted on the 13th February 2017 requires the payment of a contribution of €10,000 in relation to permissions for the construction of telecommunications masts in accordance with paragraph 19 "Schedule of Contributions" in the scheme. There is no waiver from that provision set out in paragraph 30 "Exemptions" and there is no reduction from that provision set out paragraph 31 "Reductions" of the scheme. Therefore, the Board concluded that the scheme has been properly applied.
