The submissions on this file and the Inspector's report were considered at a Board meeting held on 03/07/2018.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

Reasons and Considerations

Having regard to the provisions of the Carrigaline Local Area Plan, 2017, the pattern of development in the area and to the scale, nature and design of the proposed extension, it is considered that, subject to compliance with the conditions set out below, the proposed development would not seriously injure the residential amenities of property in the vicinity or the amenities of the area and would, therefore, be in accordance with the proper planning and sustainable development of the area.

Conditions

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

Reason: In the interest of clarity.

2. The development to which this permission refers is as detailed in yellow on the plans received by the planning authority on the 29th day of November, 2017, only, and does not refer to any other works on the site.

Reason: In the interest of clarity.

3. The existing dwelling and proposed extension shall be jointly occupied as a single residential unit and the extension shall not be sold, let or otherwise transferred or conveyed, save as part of the dwelling.

Reason: To restrict the use of the extension in the interest of residential amenity.

4. The external finishes of the proposed extension shall be the same as those of the existing dwelling in respect of colour and texture.

Reason: In the interest of visual amenity.

5. Site development and building works shall be carried out only between the hours of 0800 to 1900 Mondays to Fridays inclusive, between 0800 to 1400 hours on Saturdays and not at all on Sundays and public holidays. Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

Reason: In order to safeguard the residential amenities of property in the vicinity.

6. Water supply and drainage arrangements, including the disposal of surface water, shall comply with the requirements of the planning authority for such works and services.

Reason: In the interest of public health.
