ABP-300877-18

The submissions on this file were considered at a Board meeting held on 18/05/2018.

The Board treated this case under section 48 of the Planning and Development Act, 2000, as amended. The Board decided that the planning authority be directed, as follows:

Remove condition 5.

Reasons and Considerations:

Having regard to the Planning Authority's letter to ABP dated 9th March, 2018, which indicates that the financial contribution condition was included in its' decision in error and requested that the Board omit condition 5, the Board considered it appropriate to remove condition 5.
