The submissions on this file and the Inspector's report were considered at a Board meeting held on 11th June, 2018.

The Board determined, generally in accordance with the Inspector's recommendation, that, based on the information before it, the site is not a vacant site within the meaning of the Urban Regeneration and Housing Act, 2015, for the following reasons and considerations.

Reasons and Considerations

Having regard to:

- (a) The information submitted to the Board by the Planning Authority in relation to the entry of the site on the Vacant Sites Register.
- (b) The grounds of appeal submitted by the appellant.
- (c) The report of the Inspector.
- (d) The evidence available in relation to housing need in the area.

The Board considers that housing need in the area has not been confirmed and that it is appropriate that a notice be issued to the Planning Authority to cancel the entry on the Vacant Sites Register.
