The submissions on this file and the Inspector's report were considered at a Board meeting held on 21/08/2018.

The Board decided to refuse permission, generally in accordance with the Inspector's recommendation, for the following reasons and considerations.

Reasons and Considerations

The proposed development to be retained relates to modifications to previously granted applications SD08B/0250/EP and SD15A/0011 which expired on 15th July 2015. The development as provided for by the previously granted applications was not completed before the expiry of the planning permission. Accordingly, the Board considered that it would not be appropriate for the Board to assess an application for retention of alterations to a planning permission that has expired.
