ABP-301401-18

The application for an extension of time (received by ABP on 4th April 2018) was given due consideration, resulting in the following decision.

Grant an extension of the period for the making of an application for substitute consent for a period of **8 weeks** .

Reasons and Considerations – as follows:

The Board noted the request made for an extension of the period for the making of the application for substitute consent in this instance, arising from the need to complete necessary close-out issues on the case. It is considered that an extension of 8 weeks would be reasonable and appropriate to enable completion of application documentation to the necessary standard.
