The submissions on this file and the Inspector's report were considered at a Board meeting held on 17/07/2018.

The Board decided to treat this case under section 139 of the Planning and Development Act, 2000. The Board also decided, based on the Reasons and Considerations set out below / set out on the attached copy of the Inspector's report, that the planning authority be directed, as follows:

Remove condition number 3

Reasons and Considerations

Having regard to the nature and scale of the development to be retained, to the pattern of development in the area, it is considered that the imposition of condition no. 3 is unnecessary and the removal of this condition would not contravene the provisions of the current Development Plan for the area nor create a precedent.
