Re: Amending Board Order
S146A of the Planning and Development Act 2000, as amended

The submissions on this file were considered at a Board meeting held on 13/10/2021.

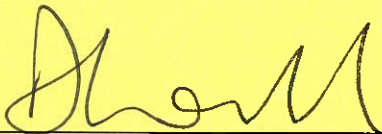

The Board decided to exercise its powers under section 146A(1)(b) of the Planning and Development Act 2000, as amended, to amend its Order of the 21st day of November 2018, by amending Condition No.6, in order to correct a clerical error and to facilitate the operation of the permission, and considered that amendment of the Board Order would not result in a material alteration of the terms of the development, the subject of the permission.

Having regard to the nature of the issue involved, the Board decided not to invite submissions in relation to the matter from any person who had made submissions or observations to the Board in relation to the permission/other matter.

Accordingly, in accordance with the provisions of section 146A(1) of the Planning and Development Act 2000, as amended, the Board hereby amends the above-mentioned decision by amending Condition No. 6 as follows:

“6. The permission shall be for a period of 30 years from the date of the first commissioning of the windfarm.

Reason: To enable the relevant planning authority to review the operation of the wind farm in the light of the circumstances then prevailing.”
