The submissions on this file and the Inspector's report were considered at a Board meeting held on 14/08/2018.

The Board treated this case under section 48 of the Planning and Development Act, 2000, as amended. The Board also decided that the planning authority be directed, as follows:

Amend condition 2 to state the following:

2. The developer shall pay to the planning authority a financial contribution of €600 (six hundred euro) in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000. The contribution shall be paid prior to the commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. The application of any indexation required by this condition shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to the Board to determine.

**Reason:** It is a requirement of the Planning and Development Act 2000 that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.

## **Reasons and Considerations**

Having regard to section 8, 9(b)(ii) and (iii) of the Kildare County Development Contribution Scheme 2015-2022, it is considered that terms of the adopted Development Contribution scheme have not been properly applied.
